

AOS Special Countries

Last Updated: December 2024

AOS offers a 75% discount on the annual membership fee for individuals who reside in a country with one of the following economic designations as determined by the World Bank: (1) low-income economy, (2) lower-middle income economy, or (3) upper-middle-income economy. **Qualifying countries are listed below.**

To receive the discount, the qualifying country must be included as part of the individual's HOME address in their AOS Member Portal profile. Eligible individuals will automatically receive the 75% discount in their shopping cart when purchasing their membership in the Member Portal.

Country	World Bank Economic Classification
Afghanistan	Low income
